

SHARING OF STUDENT INFORMATION

Student's Name

Date

Previous School Name

Previous School Address

The Washington State Legislature has enacted **RCW 28A.225.330** which requires a receiving school to request the discipline records of an enrolling student from the previous school.

This **RCW** also allows school districts to request certain information from the parents of an enrolling student or from the student him/herself. The Federal Way School District is making this request for information at this time regarding the student that you are enrolling in our schools.

Please fill out the sections of this form and submit it with the other documents required for registration.

List any past, current, or pending disciplinary action:

List any and all instances, and dates, of violent behavior:

I attest that the above information is true and accurate to the best of my knowledge.
