

STUDENT HISTORY INFORMATION

Student's Name

Date of Birth

State law (RCW 28A.225.330) permits a school district to request that you briefly indicate in writing whether the above-named student has any past, current or pending disciplinary action or any history of violent behavior. This same statute also requires school districts to request school records of such actions or behaviors. This information will be used to plan for the appropriate placement and program for the student and to ensure the safety of others. The existence of disciplinary actions or violent behaviors will not, by itself, bar the enrollment of the student.

Our school board also has determined that the absence of records known to exist implies an immediate and continuing danger to the student or others, or an immediate and continuing threat of substantial disruption of the educational process. In such cases, enrollment may be delayed until a complete set of records is received, and the student and parent will be provided with notice and an opportunity to appeal in accordance with the District's procedures for emergency expulsions.

Please check all that apply:

- I certify that the above-named student has no past, current or pending disciplinary actions.

- I certify that copies of all school records of the above-named student's violent behaviors are attached to this form.

I declare under penalty of perjury under the laws of the State of Washington that the certifications checked above are true and accurate to the best of my knowledge and belief.
