

Grades Online

Information is being sent in the mail to assist you in signing in to Grades Online. If you have lost your password or would like to be able to log in sooner, please send an email to grades@fwps.org.

In your email please include your child's name, student I.D. (which can be found on your child's report card), and their birthdate.

At orientation, we will have staff/volunteers to assist you with locating your child's teacher.
