

HOME OF THE EAGLES

FWHS PTSA Needs You!

Your Federal Way High School PTSA is excited for the upcoming school year! We need your help to make it as successful as possible! Your membership is vital for the PTSA to be able to continue the great things we started last year!

We were able to provide two scholarships to college-bound seniors. We pulled off a great Teacher Appreciation Week and also surprised them several times during the year with treats to remind them how much we love them! We contributed to the prizes that awarded our students for demonstrating awesome Eagle behavior. We've helped support the Emergency Supplies needs, and contributed to the district Baccalaureate ceremony.

You can be as involved as you want, you chose! Your paid membership alone is crucial, beyond that, we would love to see you at our meetings that are every other month, and if you are able to give of your time for our students and faculty, that is a bonus, but not necessary!

FWHS PTSA Membership Form
