

## Wildwood Elementary

*Construction (Summer 2019 - Summer 2020)*

**We're starting a new chapter at Wildwood Elementary**, with a brand-new building that promises to be a great improvement, with more room, improved security, greater functionality, and increased flexibility moving forward. We are excited about the opportunities this new school will bring, and we know that the construction period may bring some changes to the day to day activities in the neighborhood.

### What To Expect

- This construction work will begin after school lets out for the summer and will continue through the 2019-20 school year.
- There may be intermittent heavy traffic as materials are delivered and equipment is mobilized (June 2019 - February 2020).
- Noise levels may be higher than normal from 7 a.m. – 3:30 p.m., Monday through Friday, due to construction equipment and crews.
- Street improvements may cause additional impacts, and a notice will be distributed in advance of this work.
- Demolition of the existing school (Summer 2019) will require construction equipment that produces higher noise levels than during the typical construction period.

If you have any questions or concerns during this time or throughout construction, contact us at 253-945-BOND (2663).
