School Mission Statement

Federal Way High School will increase our on-time graduation rate, improve college and career readiness, and provide a safe, supportive, and equitable learning environment for all scholars.

Academics:

We offer rigorous courses open to all scholars, and pair this with our Nationwide exemplar AVID program to support scholars to learn academic skills

Cambridge

- We are recognized as a North America Cambridge Demonstration Center
- Approximately 50% of FWHS scholars take at least one IGCSE or AICE course each year
- Our Cambridge and other advanced courses are open to all FWHS scholars, and highly encouraged for all scholars to take at least once challenge course per year

AVID

- We are both an AVID National Demonstration School and AVID National School of Distinction
- Each year we support approximately 75-100 scholars per grade level through our AVID program whom are from traditionally under-served populations, first generation college-going scholars, and/or individually determined to go to college and need academic supports to meet rigorous demands of advanced courses

Grading Scale

Federal Way Public Schools is a Standards Based Grading and Reporting district with the following grade scale:

A = 3.5-4.0

B = 3.0-3.49

C = 2.0-2.9

F = 0.5-1.99
