

College Credit for  
Career & Technical Education Courses

---

Students can earn college credit at partnering colleges for CTE classes they take in high school.

**Requirements:**

- See list below for qualifying classes
- You must pass your qualifying class with a “C” or better

**Procedures:**

- Enroll at the college (listed below)
- Submit an official copy of your high school transcript to the registration office and contact the college representative below.
- The college transcribes the college credit on your transcript

*Procedures may vary-- See your teacher or the district [website](#) under CTE for more information.*

**College Partners:**

- [Highline College](#) – Alice Madsen [amadsen@Highline.edu](mailto:amadsen@Highline.edu)
- [Renton Technical College](#) – Jason Hutson [jhutson@rtc.edu](mailto:jhutson@rtc.edu)
- [Green River College](#) – Josh Clearman [jclearman@greenriver.edu](mailto:jclearman@greenriver.edu)
- [Seattle Central Community College](#) (ASL only).
