The District recognizes the valuable contribution made to the total school program through the volunteer assistance of parents and other citizens. Volunteers may be utilized to perform a wide-range of activities such as assisting with the supervision of students in school facilities, on the playground and on field trips; assisting students and teachers in classroom activities or in the preparation for such activities; or assisting in office support activities.

The Superintendent or designee shall be responsible for developing and implementing procedures for the utilization of volunteers that will include appropriate screening, assignment, and supervision. All volunteers must complete all required paperwork and be approved following submission of required background checks prior to beginning any volunteer activities.

District employees who supervise the activities of volunteers shall explain the volunteer's responsibilities regarding the particular activity for which the volunteer is assisting. On field trips and in other activities where volunteers assist with the supervision of students, both students and volunteers are to be informed of the rules and expectations of student behavior and the means by which they are to be held accountable to those rules and expectations. When working with students or when coming in contact with any student records, all volunteers must maintain strict confidentiality regarding the release of information concerning any student.

To be considered as a volunteer, an individual must be at least eighteen (18) years of age and not a current K-12 student. Exceptions to this will be made when volunteering is a part of the approved K-12 curriculum and the placement and activities are carefully supervised by regular staff members.

Volunteers shall not accept from any third party any monetary and/or other substantial compensation, gratuity or gift related in any way to the volunteer's performance of District functions.

The District may revoke the engagement of a volunteer at any time.

Volunteer Athletic Coaches

No fees, school district or ASB funds, funds from any fundraising activities; or any funds from any individuals, groups or businesses, may be expended for volunteers or coaches, in lieu of salary or salary related expenses.

VOLUNTEERS: 5630P

The voluntary help of citizens should be requested by staff through administrative channels for conducting selected activities and/or to serve as resource persons. Volunteers shall be made aware of the following procedures and restrictions:

- A. All volunteers must complete disclosure and background checks required by the District or by state law. This includes fingerprinting for all volunteers assisting athletic coaches and any volunteer who may have unsupervised access to students.

If fingerprinting is required and a volunteer applicant has undergone a criminal records fingerprint check in accordance with applicable state law, within the last two (2) years, then the District shall request that the applicant furnish the District with a copy of the criminal history record information or sign a release to permit the entity that did the fingerprint check to release the information to the District, unless the information is available in the OSPI database which can be accessed by the District. The entity from which the record check is obtained is immune from criminal or civil liability for the dissemination of the information. In this instance, the District will also require that the volunteer sign a disclosure statement assuring the District that the volunteer has not been convicted of a crime since the completion of the criminal record check.

Volunteers who complete background checks with the District must also report any criminal or misdemeanor convictions that occur after completing the background check, if they wish to continue as a volunteer. Such convictions must be reported immediately to the Assistant Superintendent for Human Resources/designee.

- B. If background checks reveal that volunteer applicants have been convicted of a crime that disqualifies them from working with children their engagement as a volunteer shall not be approved. For convictions that do not automatically disqualify the person from working with children, the review officer will consider the seriousness and history of any convictions and compare the record to the candidate's Disclosure Statement before making a final determination. Any omission, falsification or misrepresentation on the Disclosure Statement is grounds for denial to serve as a volunteer. An applicant may request a review of such decision by the Assistant Superintendent of Human Resources or designee. Such requests must be made in writing and submitted within ten (10) calendar days from the applicant's receipt of notice from the District disallowing the volunteer engagement. The applicant shall not be allowed to perform volunteer work during the time of review.
- C. Approval to serve as a volunteer comes from the District's Human Resources department. Prior to beginning any volunteer assignment, all volunteers must complete the Volunteer Checklist/Agreement (form 5630F) and the Federal Way Public Schools Disclosure Statement. Staff and volunteers should allow a minimum of 2-5 days after all forms have been completed and submitted to the Human Resources department for a volunteer applicant to receive clearance to begin serving as a volunteer.
