Science Fair: May 9

The Science Fair is an annual non-competitive event held each spring. The Science Fair is an integrated piece of the curriculum for 3rd, 4th and 5th graders, but students of all grade levels are encouraged to do a science project at home and present it at the fair. Students will present their projects at the Science Fair; the event begins at 7:00 p.m. in the gymnasium.

Special thanks to **Lauren Tomlinson** and **Linda Hultman** for organizing this PTA-sponsored event!
