Wolf Pack Families,

I hope that this communication finds you in good health and high spirits! Next week will be the start of **WEEK 6** of distance/virtual learning and working. Our POWER expectation for **WEEK 6** is **OWNERSHIP!** We will officially begin the NEW system of our new normal for remote learning and working. As we gear up to launch this new system, our community will seek to understand the variety of needs that scholars may bring to us and be accountable to providing for those needs to the very best of our ability.

Thank you for your continued support and grace! Our teachers and specialists have been working tirelessly to provide you with virtual opportunities to learn. Don't hesitate to reach out to us as we embark on this new journey of learning together. The information below will guide your next steps for the coming week.

WHAT TO EXPECT IN REMOTE LEARNING STARTING MONDAY 4/20/20:

- **Each** core content and elective teacher (HUMANITIES, SCI, MATH, ART, ROBOTICS, etc...) will send **one** email to families every **Monday** to:
 - Outline learning for the week in each content area (which will be content lessons in Canvas)
 - Support families with what to expect for the week (a short video)
- Attend **scheduled** zoom learning meeting to do one or more of the following:
 - Office hours
 - Feedback for students on new learning
 - Provide opportunities to improve grades prior to the closure on 3/13 (ie: retakes, missing work, additional evidence)
- Principal sends an "upcoming week" newsletter to families every **Friday**
- See the attached document with the learning schedule for ALL classes at TAF@SGH (middle school and high school).
