

Wolf Pack Families,

This is your proud virtual Principal Ms. Spencer. I hope this message finds you in good spirits and in good health. It's been a long 1st week of distance/virtual learning and working. This is the perfect time to practice one of our wolf pack power expectations...perseverance! Stay strong, stay connected, continue to sharpen your skills wolf pack!

Here's what you can expect next week:

1. A Need to Know Email from Ms. Spencer will be sent out this week connecting you to what to expect from teachers for the week.
2. The learning practice packets should have arrived for all middle and high school scholars - all work is for practice or enrichment. These practice activities will not be graded. They will not count against your grade BUT they can help you sharpen your skills and keep you in the practice of learning while you are away.
3. A member of your House Team of teachers (1 of your 3 core class teachers) or a support staff member (dean, counselor, or our RP coordinator) are in the process of reaching out to families by grade level.
4. Seniors will have a check-in by Ms. Sims, Ms. Sara, or Ms. Benitez by next week.

Maintaining Connection and communication is a high priority! Even though you are away, caring for the needs of the pack is of utmost importance! Please email chspence@fwps.org , iciotta@fwps.org or iacton@fwps.org if you have any questions or concerns. We are here to support.

Have a safe weekend.

Take care!
