From 6–6:45 p.m., you will have the opportunity to explore booths hosted by scholars from each school in the district, as well as college and career resources, early learning information, school construction information and more! At 6:45, Superintendent Dr. Tammy Campbell will provide an update on the State of Education in Federal Way Public Schools, sharing what’s working well, as well as those areas FWPS is seeking to improve.

We hope you’re able to join us!

Spanish, Russian, Ukrainian and Somali interpreters will be available.
