STEM Exploration Night will be here before you know it! At this exciting event, you'll have the opportunity to explore the various ways STEM fields are taking a part in our everyday lives. Mark your calendars to attend March 27, 2019, from 6 - 8 p.m. at Federal Way High School to learn about how STEM is changing the future in homes, cars, and more. We look forward to seeing you there!

Are you a current sophomore or junior interested in Running Start or Puget Sound Skills Center (PSSSC)? There will be information sessions on these programs on March 14th and 15th during lunches in the Career Center. These programs require an application process and acceptance is NOT guaranteed. Therefore, you MUST register for a full schedule of courses at Decatur for next year.

March 11th - 15th is Meagan's Closet Drive. We will accept any formal wear (dresses, tuxedos, etc) all donations will be accepted in Mrs. Storvick's room 500.

AP Exams this year will take place May 6-17 (two weeks). Students will receive a copy of the *Bulletin for AP Students and Parents* in their AP classes next week. The bulletin is your guide to the AP program and includes an exam schedule, exam administration information, and basic prep suggestions.
