

We Are Thunderbirds!

Self-motivated students who explore, create, take risks, and work hard individually and collaboratively.

Energetic students and families making an impact on the development of a cutting edge, 21st century learning experience.

What We Have Accomplished

Woodmont K-8

Woodmont K-8 Upper Grades

6th, 7th, & 8th

Our vision is that our students will be prepared to be contributing citizens by being provided rich and varied opportunities for academic achievement.

Respect, Responsibility, & Kindness

Welcome to Woodmont ~ 6th, 7th, & 8th

Who We Are:

- Student-scholars who take ownership in their academic growth.
- Teachers who dedicate time for professional learning, collaboration, and the development of culturally responsive integrated curriculum.
- Administration that provides a safe, supportive, and positive K-8 learning environment.
- Families who are active partners in the shared responsibility of ensuring student success.
- Community partnerships that support student engagement inside and outside the classroom.
