

MEMORANDUM OF UNDERSTANDING

THE PURPOSE OF THIS MEMORANDUM OF UNDERSTANDING IS TO SET FORTH THE FOLLOWING AGREEMENT(S) BETWEEN PUBLIC SCHOOL EMPLOYEES OF WASHINGTON/SEIU FEDERAL WAY #717 (Prof Tech) AND THE FEDERAL WAY SCHOOL DISTRICT #210. THIS AGREEMENT IS ENTERED INTO PURSUANT TO THE CURRENT COLLECTIVE BARGAINING AGREEMENT.

The parties agree to the following COVID-19 Provisions:

1. **Vaccine Mandate Compliance:** An employee that has notified the district that they have received at least one vaccination as of October 18, 2021, and expressed intent to become fully vaccinated, may utilize any of their available leave balances for up to 30 days to cover their absence until they are considered fully vaccinated and can return to work. If the employee has no available leave, they will be placed on an unpaid leave of absence for that period. This information will be stored in the employee's medical file, separate from their personnel file.
2. **Leave Provisions:**
 - a. **Administrative/COVID-19 Leave:** In the event any employee, regardless of vaccination status is directed to quarantine or tests positive for COVID-19, the employee will receive full pay and benefits through a combination of Labor and Industries (L&I) benefits and supplementary paid administrative/COVID-19 leave. Staff must file an L&I claim under the Health Emergency Labor Standards Act (HELSA) and will have their worker's compensation claim supplemented by the district-provided administrative/COVID-19 leave, retroactive to their first day of leave, until able to return to work per Department of Health (DOH) guidance. District provided administrative/COVID-19 leave pay will not exceed ten (10) days based on the employee's regularly scheduled daily hours of employment. Staff who experience extended COVID recovery times (due to epidemiologically linked positive case from work exposure) beyond ten (10) days **may** be eligible for additional administrative/COVID leave days on a case by case basis. **These benefits will be retroactive to September 1, 2021.** At the discretion of the District the requirement to file an L&I claim as provided herein may be suspended.
 - b. If an employee cannot attend work in-person as a result of district directed quarantine, and the work can be completed from home (determined by the employer), the employer shall accommodate this ask.
 - c. In the event an employee's worksite and/or school building is closed due to a COVID-19 outbreak an alternative work assignment will be provided.
 - d. **Side effects of immunization:** All parties acknowledge that employees may suffer side effects from the COVID-19 vaccines and will accommodate those that do with one (1) day of paid administrative leave within 48 hours after each dose if they have adverse reactions which cause them to be absent. **These benefits will be retroactive to September 1, 2021.**

3. Changes in Working Conditions:

The district agrees to continue to meet and discuss the impact of the change in workload, working conditions, job-specific duties and working hours with the Union through monthly Labor Management meetings or sooner depending on the severity of the impact. Employees are to make known to their supervisor and Union Field Representative of concerns prior to meeting.
