

Experience DiscoverU

Mark
your
calendars

Monday: Classroom to Career Day

Scholars will see how their learning is applied to future careers.

Tuesday: Discover STEM

Scholars will explore the science, technology, engineering and math (STEM) careers available in the Puget Sound region.

Wednesday: College Gear Day

Scholars can show their school pride by wearing their college's gear!

Thursday: Hero Day

Scholars will be recognizing their on-the-job heroes.

Friday: Flash Forward Friday

Scholars can pose for career and college-bound pictures in the photo booth.

**DON'T LET
ABSENCES ADD
UP!** Just two
absences every
month adds up to
20 school days!
Scholars who
miss 10%, or 18
days, in a school
year are at risk
of falling behind
academically.

DiscoverU is here

October 23-27, 2017

Supporting Goal 5 of Federal Way Public Schools' Strategic Plan:

Every student-scholar will successfully navigate the critical transitions in their schooling, and will graduate from high school ready for college, career, and post-secondary experiences.

DiscoverU is an exciting week for scholars across Seattle and South King County to explore college and career options. Scholars of all ages will have the opportunity to think about how education can help them reach their dreams. In school, they'll learn about educators' college and career paths, and see teachers and counselors showing their school pride by sporting their college gear. Scholars will participate in fun activities that encourage them to explore their futures.

DiscoverU and the Road Map to College Campaign use the term "college" to represent the full spectrum of postsecondary pathways including 2-year, 4-year, trade and technical schools. DiscoverU isn't limited to schools! Everyone from colleges, businesses, community-based organizations, libraries, city governments, community members and families are invited to join DiscoverU and put college and career in the spotlight!

**FEDERAL WAY
PUBLIC SCHOOLS**

EACH SCHOLAR: A VOICE. A DREAM. A BRIGHT FUTURE.
