FUN

Best Student Led Conferences happen on purpose. It's a special time for students, families and teachers to celebrate student accomplishments and create a learning plan together. Ways to bring family input:

- Meet with your child to check in about how school is going
- Find out your child's learning interests and goals and where they want help
- Make a list of things you want to say or ask at the meeting
- Put your list in order to talk about the most important first
- Some talking ideas: life and school goals, student school strengths and personal strengths, best work, most fun work, growth this year, skills to practice, learning targets, supports at school and home, other resources

Here to help:

Online learning
School supplies
Student services
Family resources

Students can get homework help and check out books online at King County Libraries (KCLS). Call or zoom into Study Zone Plus. Info at <https://kcls.org/studyzoneplus/>. Every Enterprise student has a KCLS account at www.kcls.org/students, elementary school. Your account # is 210 + your student id #. Your password is the last 4 numbers of your student id. Use e-books, audiobooks or curbside pickup.

Let's Talk. Your questions and suggestions help us grow.
Angela Joy, Family Liaison at 253-945-2621 or anjoy@fwps.org
