Dear Mirror Lake Parents and Families,

As you know, Mirror Lake Elementary will begin construction for our new building after scholars are released for summer vacation in June 2019. While we are able to occupy our current school during construction, there will be an impact to our playground area. You will notice some work beginning during the remainder of the school year to prepare for construction, and ensure we are able to access the playground in 2019-20.

Over spring break, our front lawn area in the southeast part of our school will be fenced in as a preparation for playground use beginning in May. Additionally, at the end of April, our big toy will be removed and safely stored in order to reinstall it at the end of June in the new front-fenced playground area. Scholars will begin to use the big toy at the start of 2019-20 school year. Finally, at the beginning of May, a large portion of our back play field will be fenced off by our contractors and the early site work on our new school will begin.

This is a very exciting time for us at Mirror Lake Elementary as we will see the beginnings of our new school project. We are committed to the safety of all of our scholars and will be taking measures to provide a safe outdoor space to be used at the end of this year and throughout next year.

If you have any questions regarding the work to be done this year or what our playground will look like in the future, please contact Michael Swartz at 253-391-9243 or Ray Vefik at 253-945-5957.

Sincerely,

Natalee Daniels,  
Principal
