### School Mission Statement

In an environment of high expectations, high support, and no excuses, the staff at Todd Beamer High School will continually learn, lead, and utilize data to effect academic achievement and collaborate to ensure our scholars have a voice, a dream and a bright future.

### Our School Goals

Our school goals align with the district strategic plan:

#### Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

##### Pride Points

- PBIS Matrix focuses on school-wide systems to support a safe learning environment—working to establish the foundation for delivering regular, proactive support to support positive behaviors
- Increased focus on Multi-Tiered Systems of Support that focuses on prevention and problem solving for all. We are connecting academic and non-academic supports in order to eliminate barriers to learning and teaching. Systems include AVID, Character Strong, Communities in Schools, Mentor & ME, PBIS, Call of Compassion, and the Todd Squad

##### Area of Focus

- Increase scholars participating in at least 90% of classroom instructional time. Advisory lessons work to support scholar social emotional learning and reinforce school-wide expectations and norms

#### Goal 5- Persistence to Graduation: High School Graduation Through Successful Transitions

##### Pride Points

- Our graduation rate has remained steady at 88%, higher than both the state and the national average

- The Class of 2019 earned more than \$2,000,000 in scholarships

##### Area of Focus

- Increasing the percentage of 9th grade scholars on track for on-time graduation. To assist with this, counselors and administrators will be visiting 9th grade classes to speak with scholars about the importance of attendance, behaviors and course progression

### Community Involvement

Parents and community members can participate in Mentor & Me, Parent Support and Advisory Group, tutoring, Booster Club, chaperoning field trips and events and being guest speakers in classrooms.
