School Mission Statement

Federal Way Public Academy is a college preparatory school that families and students choose to attend. The school's program emphasizes a challenging 'traditional' academic curriculum for every student in every subject. Public Academy prepares students for rigorous, academic instruction in order to prepare them for their college experiences.

Our School Goals

Our school goals align with the district strategic plan:

Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

Pride Points

- Each scholar becomes engaged in the broader community through community service, either through the school or in their personal lives

Focus Area

- Scholars are supported in their social emotional development

Goal 4- Content-Area Competence: Mastery of All Subjects

Pride Points

- Scholars are challenged through advanced coursework and rigorous curricular offerings
- Scholars achieve at high levels on state exams

Focus Area

- Scholars are supported in their academic soft skills development

Community Involvement

FWPA values input and participation from parents. Though we have the scheduled Student Led Conferences, at FWPA we like to say that every day can be a conference day. We encourage parents to speak to their child's teachers on a regular basis. In addition to our on-going communication, FWPA has an active parent Booster Club, where families can share ideas, take part in school fundraisers and help build and sustain a healthy school environment.
