Dear Titan Scholars and Parent/Guardian Families~

As end our 7th week of Remote Instruction, I'd like to **thank you** for your support and understanding as our teachers continue to ensure learning isn't lost during this time. We are seeing students engaging in this long-distance scenario with varying degrees of commitment. We are relying on you, parents and guardians, as we partner together to continue to motivate scholars until the very end. Our last day of instruction is June 12th---a little less than four weeks away.

We are approaching grading "crunch-time" when scholars are being asked to submit all work. Teachers will be grading student work for standards taught BEFORE March 13; some have retaught those same standards after the school's closure and we are seeing grades improve. Please know that every scholar has an opportunity to raise and improve their March 13th grade listed in the gradebook.

Advanced Placement (AP) testing continues next week. Congratulations to all those scholars who have taken and are still taking this college-credit assessment! Additionally, we are allowing grades earned on this test to automatically be the same in your scholar's progress report for that class. Please continue to support your student in being prepared the morning of that assessment. A hearty breakfast, a positive attitude, and a can-do spirit are all ways that can help set the stage for a positive outcome.

For our Seniors: the recording of the Graduation Walk is scheduled for next week, Wednesday, May 20th from 8:30 AM-4:30 PM; and Thursday, May 21st from 8:30 AM-4:30 PM. Please be on time. **We have altered the schedule a bit to include "break times" for the professional video company that will be recording the Graduation Walk. Please look for a Synergy email from us that will provide you with updated walk times.** We will be going over the "newer" schedule at our scheduled Senior ZOOM that is coming up this Monday at 5:00 pm. **The link to the Seniors-Only and Parent/Guardian webinar has been sent via Synergy Email. Please log-in 5 minutes beforehand as we intend to start on time.**

If you are a Senior and you need your **National Honor Society stoles** for the graduation walk, please do not hesitate contacting your NHS Advisor for details. We are working hard to get your stoles to you in time for the walk.

Furthermore, if you are a **senior who did not pick up your Honor Cords** May 14, we will be offering one more pick-up time next week: **Tuesday, May 18th from 9:00-10:30.** Please come through the small bus loop in front of the school. Please stay in your car to practice social distancing.

Finally, we have lots of information regarding the last few weeks of school right here on our TBHS website. Please refer to it or email us with any questions you may have. In the meantime, we wish you a safe and healthy week! Thanks for all you do in support of our teachers, scholars and staff. We couldn't do it without you!

Sincerely,

Anali Weatherhead Proud Principal

Todd Beamer High School
