- Main office number 253-945-5000
- Fax number 253-945-5050
- Communities in School Contact: Kimberly Foster, kfoster@fwps.org

STEM Expo March 16th - UPDATE

Preparation for TAF@Saghalie's second exhibition, STEM EXPO, is underway in all classes. Our scholars are in the process of developing driving questions and will begin designing their projects and Friday, March 1st, teachers facilitated the 1st STEM Expo Lab Day which was a great success. If your scholars need extra help working on their project, there is still a workshop every Tuesday and Thursday in the Media Room afterschool.

We are excited to see all of the amazing designs students come up with!

A letter regarding the details of STEM Expo was given to your scholar today. If you have any questions, please call the office at 253-945-5000.

TAF@Saghalie Graduation 2019

Here is the official graduation information for the Senior Class of 2019.

- DATE and TIME: Friday, June 7th at 6:00 pm
- LOCATION: Federal Way High School Performing Arts Center

If you have not ordered your cap/gown please do so ASAP by going to www.rrgrad.com.

Student Led Conferences March 21-22

Forms were sent home with your students on Friday, March 8 with available SLC dates and times. If you haven't received that form, please contact one of your teachers or the office at 253-945-5000.

TAF@Saghalie Robotics Team to compete in the Geekwire Robotics Cup

GeekWire is proud to present the GeekWire Robotics Cup showcasing robotics as a team sport that ignites a passion for discovery and STEM. More than 11,000 young people ages 6-18 participate in the four FIRST Washington programs supported by more than 5,000 coaches, mentors and volunteers. Come see Washington State's most comprehensive hands-on robotics program for yourself or to inspire your junior geek.

VR Club at TAF@Saghalie

Virtual Reality (called “VR” for short) is an emerging technology that involves putting on a headset to view visual content in a 3D manner. TAF@Saghalie is partnering with a VR company called Oculus Technologies (based out of Seattle) to introduce Virtual Reality at our school for students who are 13+ years old. Although most commonly known as a device used for gaming and entertainment, Virtual Reality has many applications for educational use and can provide experiences for your student that they may not easily have otherwise. Such experiences may include: space and ocean exploration, historical monument tours, virtual travel to other countries, 3D examination of internal organs, immersive language learning applications, architectural and design experiences, interactive fitness programs, as well as inspiration for creating our own apps for good! The TAF@Saghalie VR Club meets on Tuesdays & Thursdays after school in room 201.

March Calendar of Events

- 12th Non Cut Basketball @Illahee
Boys Basketball @Sequoyah

Adjusted 2018-19 Calendar

The District just released the updated calendar due to our beautiful winter weather. Due to the loss of instructional time the following changes were made:

- **February 15** was the snow make-up day for the school day lost on February 4.
- **June 17** will make up the school day lost on February 5.
- **June 18** will make up the school day lost on February 11.
- **June 19** will be a make up day for students for the school day lost on February 12. This will be the last day of school and operate on early dismissal times.

For additional information please go to the FWPS website and click on the “Adjusted 2018-19 Calendar.
