### School Mission Statement

Every Scholar: A voice, A dream, A bright future.

### Our School Goals

Our school goals align with the district strategic plan:

#### Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

##### Pride Points

- Equity Team meets weekly to explore issues of social justice, privilege, language, gender, and racism and how they impact our scholars. Our goal is to become antiracist educators.
- Attendance Team meets weekly to implement interventions to increase scholar attendance.
- PBIS/RP work is aligned to support growth in scholar social emotional well being. A main goal is to eliminate disciplinary gaps based on race and program.

##### Area of Focus

- Minimize or eliminate attendance gaps while in remote learning. Increase scholar voice in all Goal 2 decision making steps.

#### Goal 4- Content-Area Competence: Mastery of All Subjects

##### Pride Points

- School-wide common commitments for instruction have been developed to support an increase in the number of scholars on grade level in both math and ELA.
- MYP/AVID Programming supports rigorous learning opportunities and preparation for high school IB. The two joined together provide a cohesive instructional framework with aligned instructional strategies across every classroom.

##### Area of Focus

- Increasing daily work completion rates in every classroom and providing intervention opportunities embedded within the school day

### Community Involvement

We have twice monthly family partnership events held via Zoom in the alternating between afternoons and evenings. Please look for dates and topics on our website and in our newsletters.
