### Our School Goals

Our school goals align with the district strategic plan:

#### Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

##### Pride Points

- 83% school-wide PBIS Implementation to support a safe and welcoming environment for all scholars
- 87% participation in Student Led Conferences, this enforces our goal that scholars and their families have the access to meet with teachers to discuss progress and set goals

##### Area of Focus

- As we continue to implement proactive and positive supports for our scholars, we are now ready to implement a Tier II system that focuses on targeted interventions to build skills that will result in desired behaviors

#### Goal 5- Persistence to Graduation: High School Graduation Through Successful Transitions

##### Pride Points

- 90% of our scholars are graduating on time as we prepare all scholars for career and college pursuits. This is an increase of 2% from the previous year

- FAFSA/WASFA completion is at 70%. This supports scholars in accessing financial support for the transition to college

##### Area of Focus

- Continuing to grow our graduation rate and FAFSA/WASA completion rates - we will continue to support, track and monitor our scholars' progress towards graduation, post-secondary education and career readiness

### Community Involvement

We have a variety of opportunities for parents to be involved in our school. These opportunities include PTSA, Decatur Gators Booster Club, volunteering and many more. Please contact the main office for more information.
