

# School Supply Information for the 2021-22 School Year:

- The district is continuing its commitment to equity by providing basic educational school supplies at no cost to families. It will ensure students have the tools they need to be successful with their learning, especially at a time where many families are still facing financial challenges due to the pandemic.

*Note: Graphic and scientific calculators for grades 6-12 will be available to check out from your child's schools.*
