Parent Involvement Plan

2021 -2022

Did you know Adelaide Elementary receives Title I Funding from our federal government?

This funding is designed to provide equity of opportunity for all scholars and helps us to customize our instruction to help all our scholars meet academic standards. You will hear more about Title I during our parent and family engagement opportunities throughout the year.

It is the goal of Adelaide Elementary to establish and build upon quality collaborative relationships with each family. We recognize that parent involvement has been proven to be one of the top indicators of scholar academic success. Adelaide's School – Scholar – Parent Compact outlines our commitments to each other in a **joint partnership** for all scholars' success. We review this plan annually through our Site Leadership Team, and starting this academic year, through our Parent Advisory Committee.

At any time, you may contact me at aellenbecker@fwps.org, to ask questions about our program and how we are supporting all our scholars, or to request more information regarding the qualifications of your scholar's teacher and/or paraeducators. We welcome this proactive communication. However, if you have a complaint about our program after speaking with me, please contact our main office which will forward you information on OSPI's Federal Program complaint procedures.

This year, in addition to our Open House and Spring Parent events, volunteer opportunities, connecting with families through our counselor and family liaison, and our Kindergarten readiness program, we are committing to the following activities:

- Initiating a Parent Advisory Program which meets with the principal monthly to learn about what is happening within the school and provide community wisdom
- Providing effective and timely communication through multiple modalities, including Facebook and Phone Calls, Remind regarding events and other opportunities for engagement

Thank you for entrusting us with the care and education of your scholar and for partnering with us for their success.

Welcome to our family. Bienvenido a nuestra familia. Добро пожаловать в нашу семью.

Angie Ellenbecker, Principal

Federal Way Public Schools

School – Scholar - Parent Compact

Scholars, parents, and staff all share a joint responsibility for scholar learning. By reading and signing this compact of shared responsibilities, we can better understand how everyone contributes to scholar success and we agree to collaboratively support the students and the Adelaide community.

School: We promise to provide the following:

- A calm and nurturing environment, where children and adults are safe, caring, and accountable.
- Consistent procedures and routines.
- Proactive and partnering communication designed to engage all scholars, regardless of their race, socioeconomic status, disabilities, and gender.
- Staff who model the ideal of continuous learning, using data and professional development to support academic and social emotional competence for all scholars.
- A variety of opportunities for families to become involved in the educational career of their scholar, including volunteerism, family events, input opportunities, and additional learning opportunities to enhance the parenting experience.

Parent(s) / Guardian(s): We promise to do the following:

- Encourage my scholar to read every night.
- Make sure my scholar attends school every day unless they are sick.
- Support my scholar with routines to be well rested and ready for school the next morning.
- Communicate with my scholar every day about their school day.
- Support our schools by partnering with to model and discuss a positive learning environment, including being safe, caring, and accountable, when on the school campus or at the bus stop.
- Proactively communicate with the school regarding the needs of my scholar.

Scholars: I promise to do the following:

- I will be safe, caring, and accountable when on the school campus.
- Maintain a growth mindset and commit to correcting my work or making amends when I make a mistake.
- Attend school every day unless I am sick.
- Set goals for myself and advocate for my needs.
