

# Adelaide Elementary School Title I Parent & Family Engagement Policy/Plan/Procedures

**FEDERAL WAY  
SCHOOLS**

2021 - 2022

Adelaide Elementary School is committed to the goal of providing quality education for every scholar in this district. To this end, we want to establish partnerships with parents and with the community. Everyone gains if Adelaide and home work together to promote high achievement by our scholars. Neither home nor Adelaide can do the job alone. Parents play an extremely important role as our scholars' first teachers. Support for their scholars and for the school is critical to scholars' success at every step along the way.

Adelaide recognizes that some scholars may need the extra assistance available through the Title I program to reach the state's high academic standards. Adelaide intends to include parents in all aspects of the school's Title I program. The goal is a school-home partnership that will help all scholars to succeed.
