Illahee Middle School - Student Activity Check List

While school is closed, you are still expected to be active and learning. This is a great opportunity to try different learning options that will keep your brain engaged! This is a list of activities you can do over the next 6 weeks in addition to the learning packets that are being mailed home. If you complete at least 15 of these activities, we will give you a prize when you return! When you return to school, return this checklist with a parent signature.

☐ Watch at least 3 Khan Academy—explain what you learned
☐ Complete at least 3 iReady Math lessons online: need help with logging in? Contact your math teacher
☐ Complete at least 3 iReady Reading lessons online – these are new, but in the same place as math
☐ Plan a trip around the world:
  o Itinerary
  o What you’ll do
  o Cost
  o How is this connected to what you are learning in any of your classes?
☐ Practice a world language using free websites like Duolingo, language books, Spotify podcasts. Record yourself
☐ Engage in Random Acts of Kindness
☐ Learn how to code (code.org)
☐ Teach yourself how to do something online. How is this different than learning it in school?
☐ Calculate your daily Calories-In vs. Calories-Out
☐ Get 30 minutes of physical movement every day!
☐ Keep a journal about your daily life. What is it like for a teenager right now? (This may be cool to re-read when you are older)
☐ Read for 60 minutes a day
☐ Practice your instrument or learn to sing (lessons on YouTube). Send your teacher a recording of this!
☐ Cook something new from a recipe. Take a picture!
☐ Try a new Podcast.
☐ Try a safe science experiment on YouTube to share with a younger sibling or friend.
☐ Write a letter to a friend, family member, or teacher, like on paper!
☐ Create some art – physical, digital, whatever
☐ Play teacher with a younger sibling and teach them a lesson using their school packets.
☐ Read books aloud to a younger sibling or family member
☐ Organize your backpack/binders/stuff (please!!!)
☐ Deep clean your room/personal space. Throw out stuff you don’t need, disinfect everything, reorganize and make it fresh.
☐ Play cards or board games with your siblings or family
☐ Watch a documentary or movie about stuff you’re learning in class.
☐ Volunteer some time in service of others. (find a need nearby and make a difference) Write a reflection

My child completed at least 15 of the above activities between Monday, March 16 and Friday, April 24th

How to Access Resources Outside of School

StudentVue

You can do a lot more than check your grades here. You can see what standards still need work so you can practice them at home. You can also contact your teachers if you need help identifying which standards you should practice. This is a great way to communicate with your teachers during this time.

Email

Your student email is your student number @p12fwps.org. For example, 12345@p12fwps.org

How to Contact Your Teacher

Teaches can be emailed through StudentVue or their email addresses can be found on the Illahee website – www.fwps.org/illahee

How to Log into Canvas

1. Go to fwps.instructure.com
2. Your username is your student number only! Your password is the same as your regular school password
