Dear Nautilus Families,

Happy End of Week 7! I sit itching to get outside as the sun is shining! I hope you and your family are able to get outside this weekend. Maybe a walk, maybe a picnic, maybe a barbeque ... or maybe you can start a garden or plant some flowers?

I hope remote learning is starting to go a bit smoother for you and your family. We are learning right along with you, and I have greatly appreciated the feedback many of you have provided. We have two opportunities to share with you. First, you should have received a link to our scholar and family surveys. If you have not, please let me know and I will email it to you! Second, our Family Liaison, Mrs. Anne Marie Tennison, and I would like to invite you to a Coffee and Connection time. You have to provide your own coffee (sorry) but we will help provide the connection. We are setting up two Zoom meetings next week, with no agenda, but instead a time for you to see us, see other parents, talk, ask questions, provide feedback, or just come and listen. Please join us either on Tuesday, May 12th at 10:00 am or Friday, May 15th at 2:00 pm. The Zoom Meeting ID Number is 979 605 2428. We would love to see you!!

Our i-Ready data continues to show more scholars using it for instruction. For this week, we had 337 out of 571 scholars utilizing the Reading instruction – 59%! And for Math, we had 383 out of 571 scholars utilizing the Math instruction – 67%! Remember, this is a really good way for our scholars to increase their skills because i-Ready is going to take them right where they are academically, and when they begin to pass lessons, the application will take the scholar to the next level.

Last, if there are any five-year-olds in your complex or neighborhood who plan to attend Kindergarten next year, please have them begin registration right now. We are a little lower in enrollment this year than in past years, and this is when we begin to worry. Just have the parent log onto www.fwps.org/kiosk and on the left hand side it says, “Student Registration”. Thank you in advance!

Enjoy your weekend!

Proud to be a Navigator!
